25X1

1. The chaotic administration of factories in Rumania is adversely affecting all types of production. Directors are frequently changed and there is a continual shifting all the way down the administrative ladder. [redacted] 25X1
[redacted] an administrative purge of greater or lesser magnitude takes place every three months. 25X1

25X1

- tain precision equipment imported from the USSR and satellite countries, such as thermometers for the measurement of very high temperatures, electrolytic equipment, etcetera, are inferior to models of western manufacture and two to three times as expensive.
